

Nomination Form to stand on the Board of Directors of the Edinburgh Festival Fringe Society

Thank you for downloading the nomination form to stand for the Board of Directors of the Edinburgh Festival Fringe Society. Seats available on the Board of Directors for the 2026 Election are as follows:

CATEGORY	NUMBER OF SEATS
Open	1
Show Participant	1
Venue	0

In order to stand for election, you must be a member of the Fringe Society, and you must be proposed and seconded by two other members of the Fringe Society.

Before submitting your form, please read the guidance provided on the [Fringe Society section of the website](#).

You must complete this form and return it to the Edinburgh Festival Fringe Society by 12 Noon on Thursday 09 July 2026. You must also ensure that your proposer and seconder have also completed and submitted their own Proposer Form by this deadline, available for download from the [Fringe Society section of the website](#).

You can send the completed form as an email attachment to membership@edfringe.com. Please note, we will only accept electronic versions of both the Nomination and Proposer form if the email address that they have been sent from matches the email address we have on record for that individual. This means that you must send your own nomination form from your own email address, and your proposer/seconder must do so from theirs.

If you'd rather print and complete a paper copy of the form, please send it to:

Company Secretary
Edinburgh Festival Fringe Society
180 High Street

You must complete this form in full; failure to do so may lead to your nomination being invalidated.

If you are standing in the Show Participant category, you must include written confirmation from your performing company (which must be registered with the Edinburgh Festival Fringe Society for 2026) that you have the authority to stand.

If you are standing in the Venue category, you must include written confirmation from your venue (which must be registered with the Edinburgh Festival Fringe Society for 2026) that you have the authority to stand.

The Fringe Society will seek the necessary evidence of your eligibility to stand. This will include confirming the membership of you, your proposer and your seconder, and evidence of eligibility for your category (ie checking you have a show registered with the Edinburgh Festival Fringe Society for 2026).

Please contact membership@edfringe.com or +44 (0)131 226 0026 with any questions.
